DEFENDANTS' NOTICE OF TRANSFER OUT OF BRISTOL

Respondents-Defendants hereby provide the Court and opposing counsel with notice that **JERRY OFOSUHENE** (for removal to Ghana) will be transferred out of the Bristol County House of Corrections during the week of September 14, 2020. He has been tested for COVID-19 using an FDA-approved RT-PCR test received negative results.¹ With that transfer, the number of immigration detainees remaining at Bristol County House of Corrections will be 38.

Respectfully submitted,

ANDREW E. LELLING,
United States Attorney

¹ FDA has approved a number of vendors' tests on an interim basis pursuant to what it calls an Emergency Use Authorization or "EUA." Upon information and belief, this is a fast-track review process that does not lead to a complete approval, but instead a temporary emergency approval in light of the pandemic. See, e.g., <https://www.fda.gov/emergency-preparedness-and-response/mcm-legal-regulatory-and-policy-framework/emergency-use-authorization> (accessed 5/28/20). Defendants understand the Court's order to include EUA-approved tests as acceptable.
